Oklahoma City, Oklahoma – November 15, 2011. Grand Dental, Oklahoma City's Best Dental Experience, is helping keep people warm this winter with a "coat drive". Donate coats now through December 15th and they will go directly to people in need. The drop off box is located at Grand Dental's office at 1057 NW Grand Boulevard, Oklahoma City, Oklahoma 73118. Patients of Grand Dental as well as the community at large are encouraged to participate.

Grand Dental has partnered with Scott Cleaners to make sure that the coats arrive clean and ready to wear. Scott Cleaners is donating their services to clean all donated coats before they go to local charities.

Grand Dental has already contacted Jesus House in Oklahoma City about this program. They are thrilled to be a beneficiary. Jesus House helps those persons who find themselves in a situation of adversity with shelter, food and clothing. The Jesus House will give the coats directly to people in need. "We are definitely open to spreading the word about our coat drive this season. Other charities that have a need for warm coats are welcome to contact us", said Stephanie Sanderson with Grand Dental.

"Our office is centrally located and we have a lot of patient traffic so we wanted to do something this holiday season that is really meaningful to the community. It gets so cold in Oklahoma during the winter. Everyone needs a good coat. Please bring a coat to our office and support these efforts", said Dr. Michael Kirk.
