Grand Dental Is One of Invisalign's Top Dental Offices

Recently, [Grand Dental Nichols Hills](#) was recognized by [Invisalign](#) as one of 2011's top ten **Invisalign** dental offices in **Oklahoma**. It was truly an honor to be recognized as one of the best and most prolific providers of **Invisalign** in the entire state. Experience truly matters, and if you've ever dreamed of a

straighter, more confident smile, look no further than **Grand Dental**.

What Is Invisalign?

Invisalign is a revolutionary orthodontic solution that uses clear aligners to straighten teeth instead of brackets and wires. As such, there's nothing to tighten, granting patients a more comfortable, discreet orthodontic experience. And as an added benefit, **Invisalign's** aligners can easily be taken out for brushing, flossing, and even special events.

If you live in the **OKC area** and want to [find out more](#) about **Invisalign** or this honor we've received, [call our Oklahoma City office today](#). [Dr. Kirk](#), [Dr. Henry](#), or [Dr. Proud](#) would be happy to meet with you and answer any questions you might have about creating a happier smile with **Invisalign**.
