Directions to Grand Dental Studio.

Grand Dental Studio is located at 1057 Northwest Grand Boulevard which is northeast of the intersection of North Western and Grand Avenue (approximately NW 57th and Western Avenue). We are ½ mile south of Nichols Hills and immediately south of the Chesapeake Energy campus.

There are two entrances into the complex which is known as Grand Park Centre. You may take either entrance. There is a Grand Dental Studio sign adjacent to the first entrance off of Western Avenue. The building is in the northwest corner of the complex. The building is labeled "Grand Dental Studio". Our phone is **405.848.3719** if you have any questions.

We think that this is a great location with easy access and plenty of convenient parking. In addition, there are many excellent restaurants and shopping opportunities around North Western Avenue, Classen Curve, and Nichols Hills Plaza. You also have Penn Square Mall and 50 Penn Place nearby.

If you are coming from **Edmond**, we suggest ...

Broadway Extension South to 63rd street exit, west (right turn) on NW 63rd to Western, South (left turn) on Western to Grand intersection, turn left onto Grand and left into complex.

If you are coming from **Norman**, we suggest...

I-35 to I-235 (Broadway Extension) exit on N. 63rd street, turn west (left turn) onto 63rd to Western, South (left turn) on Western to Grand intersection, turn left onto Grand and left into complex.

If you are coming from **south Oklahoma City**, we suggest ...

I-44 east to N. Western exit, North (left turn) onto Western to Grand intersection, turn right onto Grand and left into complex.

If you are coming from **west Oklahoman City (Bethany)**, we suggest ...

I-44 east to N. Western exit, North (left turn) onto Western to Grand intersection, turn right onto Grand and left into complex.
